

PALISADES PARK BOARD OF EDUCATION

410 Second Street
Palisades Park, NJ 07650

Dr. Joseph Cirillo
Superintendent of Schools

January 6, 2022

This letter is to inform you that multiple individuals at Lindbergh Elementary School have tested positive for Covid-19 and are home under isolation following the guidance of public health officials. We wish him/her a full recovery and hope they remain in good health.

We are working closely with the Palisades Park Health Department and following all guidance as set forth by the New Jersey Department of Health regarding Covid-19 case investigations and contact tracing. All individuals who were determined to be quarantined have been identified and are to remain home.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible while following all public health protocols. I will keep you updated should any further action be necessary in regard to this situation and have included some resources that might be helpful.
